

Hello everyone!

The FIRST annual **WandFest**, an outdoor, socially distanced, camping and music event series, is here for 2021!!

WandFest's mission is to provide the community of the 285 Corridor and the Pine Junction area an economic boost and place to enjoy local music combined with business opportunities and safe, distanced camping fun for everyone.

We are a group of inspired, dedicated community members and local musicians who are working hard to make **WandFest** a continuing community event and outlet for local Colorado Musicians, not only in this time of the Covid-19 Pandemic and we need your help! We are collaborating with local businesses to create this dream come true and are reaching out to you to help us achieve the goal of this concert tradition in our area.

Our outdoor concert series is primarily Sponsor driven. It is our goal that your business joins us in this community effort by becoming an Event Sponsor.

Sponsors at all levels are welcome and appreciated very much. We can offer special recognition for sponsors beginning at the \$1000 Red Sponsor level. Donors at \$1,750 and above will receive a private backstage band introduction at each concert and proper ppe and safety protocols must be adhered to. Donors at \$500 and above get VIP passes, the number of depending on support level.

We know that you will join us and take advantage of this great opportunity to enhance your business and community by giving generously to **WandFest** this spring and many more springs to come.

Thank you for your continued community support!
